This brochure is designed to assist you with your Home Instruction curriculum. Using the Voluntary State Curriculum (VSC) should help alleviate some of the questions that arise during instruction.

1. Open your web browser and type in www.mdk12.org
2. Under Instruction, click on Voluntary State Curriculum.
3. From here you should be able to navigate to the different areas of instruction needed.

Carroll County Public Schools
125 N. Main Street
Westminster, MD 21157
Phone (410) 751-3122
Fax (410) 751-3684

www.mdk12.org

The Voluntary State Curriculum (VSC) defines what students should know and be able to do at each grade level

AREAS COVERED UNDER THE VSC:

- Mathematics
- English/Language Arts
- Science
- Social Studies
- Fine Arts
- Foreign Language
- Health/PE
- English Language Proficiency
- Technology Education

By clicking on each subject, you will find numerous resources and strategies to help you deliver your instruction. For example, when you click on Mathematics the following would appear:

MD Standards

[VSC Introduction](#)

VOLUNTARY STATE CURRICULUM

- [PKK12345678](#)
- [Algebra/Data Analysis \[pdf 183k\]](#)
- [Algebra II \[pdf 96k\]](#)
- [Geometry \[pdf 177k\]](#)

CORE LEARNING GOALS

- [Algebra/Data Analysis](#)
- [Geometry](#)

Instructional Strategies

- [K-8](#)
- [Algebra/Data Analysis](#)
- [Geometry](#)

Assessment Resources

- [MSA](#)
- [HSA](#)

Web Resources

- [Offsite Teaching and Learning Resources](#)

You would then click on the different links to further your search.

Other Available Options:

There is also a “toolkit” for each subject that will further explain and help to deliver the content area.

If you still require further assistance, there is a place to email professionals in that particular subject area your questions.
