A schedule of upcoming countywide volunteer training sessions will be available the week of August 8. The schedule will also be available through local newspapers, Carroll Educational Television Channel 21, and school newsletters/bulletins. At the start of the school year, schools may publicize additional training sessions that are advertised for specific school communities and are not included with this website's training information.

Volunteer training, obtained during the 2010-2011 school year is only valid through September 30, 2011. Potential volunteers are encouraged to attend a training session by mid-September 2011.
